

**Academic Medicine Career Development Conference for Diverse Trainees**

Dear Participant,

We are excited to have you join us for at the 2017 BNGAP Regional Academic Medicine Career Development Conference for diverse trainees at NYU Langone Health on Friday December 1<sup>st</sup> 2017 to Saturday December 2<sup>nd</sup> 2017.

This conference provides an exceptional opportunity for the medical students and residents to explore how academic medicine careers fit with their personal and professional interests, to develop and enhance their academic medicine portfolio, and to expand their network among academic medicine colleagues and role models. All are welcome to attend, but BNGAP is especially interested in reaching out to trainees who are underrepresented in medicine (women, LGBTQ, and racial and ethnic minorities) to consider academic medicine careers. For further information on the conferences, please visit [www.bngap.org](http://www.bngap.org).

Below you will find the logistic information for our conference including the event location, nearby hotels and parking information. Please feel free to contact me with any questions or concerns.

Sincerely,
