

**2019 Regional Building the Next Generation of Academic Physicians (BNGAP) conference at EVMS
March 22/23, 2019**

We are delighted to welcome you to the 2019 Southeast Regional Academic Medicine Career Development Conference at Eastern Virginia Medical School. BNGAP's purpose is to inform diverse medical students and residents about academic medicine as a career option and provide resources to help them explore and potentially embark on an academic medicine career. The conference is OPEN TO ALL medical students, residents, and fellows but is tailored for those underrepresented in academic medicine in particular women, LGBTQ, and racial and ethnic minorities.

During the event, learners will be able to:

- Explore academic medicine careers to fit with their personal and professional interests.
- Navigate the array of academic medicine career paths and opportunities.
- Develop and enhance their academic medicine portfolio.
- Expand their network among academic medicine colleagues and role models.

Workshop topics include:

- Diversity & Inclusion in the Academic Medicine Workforce
- Academic Medicine Career Roles and Responsibilities
- Building a Supportive Career Team
- Leadership Development
- Educational Scholarship
- Research Scholarship
- Finding an Academic Residency
- Finding an Academic Position After Residency
