

February 4<sup>th</sup>, 2019

Dear Trainee or Diversity Leader:

We are excited to invite you to the 2019 BNGAP Academic Medicine Career Development Northeast Regional Conference for Diverse Medical Students and Residents, at Cooper Medical School of Rowan University, Camden, NJ, March 29-30, 2019.

This conference provides an exceptional opportunity for the medical students and residents at your institution to explore how academic medicine careers fit with their personal and professional interests, to develop and enhance their academic medicine portfolio, and to expand their network among academic medicine colleagues and role models. All are welcome to attend, but BNGAP is especially interested in reaching out to trainees who are underrepresented in medicine (racial and ethnic minorities, LGBTQ, and women) to consider academic medicine careers.

For further information on the conference, please visit <http://bngap.org/academic-medicine-regional-conferences/>. Please feel free to reach out to Dr. Sanchez ([jp.sanchez@njms.rutgers.edu](mailto:jp.sanchez@njms.rutgers.edu)). We look forward to seeing you at the conference.

Best regards,
