

We cordially invite you to join us for the 2018 Northeast Regional Academic Medicine Career Development Conference, Co-Sponsored by Building the Next Generation of Academic Professionals Inc. (BNGAP) and Albany Medical College on Friday, September 28<sup>th</sup>, 2018 (from 3 pm – 7 pm) to Saturday, September 29<sup>th</sup>, 2018 (8 am – 5 pm).

This conference provides an exceptional opportunity for the medical students and residents to explore how academic medicine careers fit with their personal and professional interests, to develop and enhance their academic medicine portfolio, and to expand their network among academic medicine colleagues and role models. All are welcome to attend, but BNGAP is especially interested in reaching out to trainees who are underrepresented in medicine (women, LGBTQ+ people, and members racial and ethnic minorities) to consider academic medicine careers. For further information on the conferences, please visit [www.bngap.org](http://www.bngap.org).

Please find details you'll need to prepare to attend below. If you have any questions about this BNGAP conference, please reach out to us at [bngap@amc.edu](mailto:bngap@amc.edu). We are excited to host you in September!

Kind Regards,
